(b) the funds earmarked under the programme during the said period, State-wise?

Answer

MINISTER OF STATE FOR NON-CONVENTIONAL ENERGY SOURCES (SHRI M. KANNAPPAN)

(a)&(b): The Integrated Rural Energy Programme (IREP) provides forpreparation and implementation of area-based block level IREP plans and projects through which energy needs of the block are sought to be met in the most cost-effective manner. IREP consists of a Central Sector Component and a State Sector Component.Under the Central Sector Component, the Centrally Sponsored Scheme provides for capacity building in the States through the setting up of state and district / block level IREP cells, as well as training and extension activities for which grants-in-aid are provided to the States, based on the matching funds provided by the respective States. The State-wise Central Financial Assistance provided under the Centrally Sponsored Scheme of IREP during 2000-2001 and 2001-2002 is given at Annexure. These funds were utilized for partial support to IREP staff at the state and district / block level IREP cells, as well as for various training and extension activities. The State funds were utilized for the promotion of various rural energy systems, including renewable energy and energy efficient devices, for meeting different energy needs in the IREP blocks.
